DETAILED ACTION

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Japan on August 9, 2002. It is noted, however, that applicant has not filed a certified copy of the JP 2002-233129 application as required by 35 U.S.C. 119(b).

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Re claims 1-13, the feature of the first coil winding having individual coils encircling the first number of pole teeth and a second coil winding encircling a second number of pole teeth including at least some of the pole teeth encircled by the first coil winding, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Re claims 14 and 15, the feature of the four taps formed at the ring portion to which respective ends of the coil windings are electrically connected, two of the taps being disposed adjacent to two circumferentially adjacent pole teeth encircled by a respective one of the coil windings and electrically connected to a respective end of the coil winding of the adjacent pole teeth, the remaining two of the taps being disposed adjacent to one pole tooth encircled by at least one of the coil windings and each of the remaining two taps being electrically connected to the other ends of the respective coil windings, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
